Acting Scenes And Monologues For Young Teens: Original Scenes and Monologues Combined Into One Book Bo Kane

If you are a teen or tween and would like to be an actor in film or television, you will need to practice... just as someone who wants to be a great singer or a great athlete practices . An actor prepares. This is a book of acting monologues and scenes that teen actors (13 to 17) will find both challenging and interesting. The scenes and monologues were first performed in workshops and classes in Los Angeles by professional young actors, and have been rewritten with their help and advice. This book features high drama and comedy with crisp dialogue, mostly set in present day ... with a couple of period pieces thrown in to show an actor's range. Teen actors searching for relevant material for their acting classes and auditions will be able to sink their teeth into these scenes and monologues and show their depth and skill. "Notes From The Coach" are hints and suggestions throughout the book designed to help the actor interpret the material. Famous actor quotes and insights are also sprinkled throughout the book. *"This book not only provides the tools, but is a lot of fun."*

This is the companion book to "Acting Scenes and Monologues For Kids!"
