Cataclysm of the Ancients Simon Rosser

An ancient artifact from the past...will unleash havoc in the future.

From ancient Greece to ancient Egypt and the war-torn deserts of Syria, Robert Spire is thrust into an adventure which spans 2041 years. The hunt is on for ancient clues that must be solved...the countdown to the Cataclysm of the Ancients has begun...

226 BC: Fall of the Colossus of Rhodes.

The mighty statue of the Greek Titan Helios stood proudly in the port of the ancient city of Rhodes, Greece. Built to celebrate Rhodes' victory over the ruler of Cyprus in 305 B.C., it is one of the tallest statues of the ancient world, until it is destroyed after only 56 years.

Legend suggests it was destroyed by an earthquake, but legends can be wrong...

2015 AD: A Stolen C.I.A Document...

Langley Virginia: When CIA agent, Dr Vincent Kramer, is found brutally murdered in the facility's parking lot, it becomes apparent that his death is linked to a missing document that was stored in the agency's secret vault - A document detailing clandestine remote viewing experiments on the Great Sphinx in Egypt.

Yesterday: An Explosion Rocks the Sphinx...

Soon after the theft, an explosion damages the Sphinx, revealing a secret chamber within the ancient monolith. Upon hearing the news, the UK's GLENCOM agency, keen to assist Egypt with a terrorist attack on one of its greatest historical monuments, sends their agent, ex-environmental lawyer, Robert Spire, together with archaeologist Professor Casey Carr to Cairo to investigate...

An Ancient Cataclysm Unleashed...

After persuading Egyptian authorities to let them inspect the newly discovered chamber, Spire and Casey make a remarkable discovery, one which leads the pair on a hunt for the remains of one of the lost Seven Wonders of the Ancient World - the legendary Colossus of Rhodes. Someone else is also hunting for the lost pieces of the ancient statue however. A group who believe that if they discover the final resting place of the colossus, they will also discover a secret more powerful than the Gods themselves, and when they do, they will unleash a cataclysm upon the modern world, the likes of which has never been seen before.

As Spire realises the seriousness of the deteriorating situation, he requests help from his old trusted friend, retired U.S. Marine, Travis Dexter. With the clock ticking to an unknown, but almost certain cataclysmic event, the pair race against time to unravel the ancient clues before it's all too late...

From reader reviews:

Charles Eiland:

What do you concentrate on book? It is just for students because they're still students or that for all people in the world, what the best subject for that? Merely you can be answered for that query above. Every person has various personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great in addition to important the book Cataclysm of the Ancients. All type of book could you see on many methods. You can look for the internet options or other social media.

Michael Floyd:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Cataclysm of the Ancients can make you feel more interested to read.

Earl Hess:

What is your hobby? Have you heard that question when you got students? We believe that that concern was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person like reading or as studying become their hobby. You have to know that reading is very important and also book as to be the matter. Book is important thing to increase you knowledge, except your own teacher or lecturer. You will find good news or update in relation to something by book. A substantial number of sorts of books that can you go onto be your object. One of them is niagra Cataclysm of the Ancients.

Carmen Pinto:

Many people said that they feel weary when they reading a publication. They are directly felt this when they get a half elements of the book. You can choose the actual book Cataclysm of the Ancients to make your own reading is interesting. Your personal skill of reading ability is developing when you just like reading. Try to choose very simple book to make you enjoy to learn it and mingle the feeling about book and looking at especially. It is to be initially opinion for you to like to available a book and learn it. Beside that the publication Cataclysm of the Ancients can to be your new friend when you're truly feel alone and confuse with the information must you're doing of their time.
