Listen Up, America!: A Teacher's Guide to a More Perfect Union Dionee Schwenke

DANGEROUS TEACHER TRAINING! DECEITFUL ACCREDITATION! DISTORTED TEST SCORES! Dionee Schwenke, four children of her own, a long lineage of teachers, and twenty years of research, lays it on the line. A unique, if not brave, expos of the problems in education that plague America. Her teaching experience and research unmask the Dirty Little Secrets of the teaching profession in tales she tells out of school. No Hush Hush policy in this book! Her story explains why 40 years of reform, guided by presidents from Johnson to Reagan to Bush, have sputtered, backfired, and failed. Reforms that promised much but delivered little. After years of public demand to Do Something! that only made matters worse, it may seem as if America can't get it right. BULL! claims the author of Listen Up, America! America can provide schools to be proud of, if we just start asking the right questions. Dionee guarantees to raise those questions! Provoking you, her fellow Americans, to act, get involved, and provide the answers. And to assist you, she provides a study guide, "Reading to Drive Away the Night," at the end of each chapter. May classes commence!!!
