“My husband thinks you’re pretty cute, and if we’re being totally honest, I think you’re pretty cute myself.”

I was really looking forward to my school reunion when our babysitter ditched us at the last second. Thankfully, my husband came up with a solution – our **cute 18-year-old neighbour**.

What we never expected was to arrive home and find her in a, ahem, compromising position. My husband couldn’t keep his eyes off her, not with her tight and perky body in his face. The funny this is, I couldn't either. We did the only thing that seemed right. Seduced the little minx.

It’s been a long time since I was with a girl, but as we begin to explore each other it comes right back to me. We’re so into the moment that my husband **forgets to wear protection**, taking the babysitter's fertile body **hard** and **bareback**.
