Yesterday Will Make You Cry [a Novel] Chester B. Himes

“There could not be a fitter time or place for the publication of this great prison novel than today’s United States.” —H. Bruce Franklin, *The Nation*

A classic restored—the complete and unexpurgated text of a great African-American writer's brutal and lyrical novel of prison life. First published in reduced and bowdlerized form in 1952 as *Cast the First Stone*, *Yesterday Will Make You Cry* was Chester Himes's first, most powerful, and autobiographical novel. This Old School Books edition presents it for the first time precisely as Himes wrote it, a sardonic masterpiece of debasement and transfiguration in an American penitentiary and one of his most enduring literary achievements.
