As a physical sports therapist, Gail Bennett is accustomed to working with gorgeous athletes every day, but after falling for a few of these attractive men, she has been left heartbroken one too many times. When Gail's hours at work are unexpectedly cut, she must find a way to continue helping her parents pay for her sister's education. Reluctantly following her best friend's advice, Gail takes on a roommate—with the one man she has been avoiding since the first time she laid eyes on him.

Damon Johnson loves a challenge, and he is not the type of man to back down when he wants something. From the first moment he meets Gail for dinner, he feels an inexplicable pull between the two of them. In his determination to have her, he finds himself helping her in any way he can.

Can Damon break through all the barriers Gail has so carefully placed around her heart and prove that he's different? Or will Gail's reservations keep her from falling in love?

One thought could change everything.
