Spanish for the Pharmacy Professional Jeri J. Sias, Susana V. James, Cristina Cabello C. de Martinez

The increasing change in language demographics in the United States has created the need for pharmacy professionals to be able to communicate basic medication information to Spanish speakers while also confirming patient understanding. *Spanish for the Pharmacy Professional* balances the use of culturally appropriate Spanish with technical Spanish that is practical for the pharmacist. Students of this text will learn to communicate basic and more complex information to their patients while also learning to enjoy some of the subtleties of the Spanish language and of Hispanic cultures.

Key Features:

Focus on patient counseling regarding specific medications.

Sample dialogues in Spanish and English.

Cultural notes.

Lessons, exercises, and assessments.

Audio files focusing on vocabulary and dialogues.

Instructor's guide.

Available on Pharmacy Library.

From reader reviews:

Helga Lever:

Information is provisions for folks to get better life, information these days can get by anyone on everywhere. The information can be a knowledge or any news even a problem. What people must be consider if those information which is from the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you have the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Spanish for the Pharmacy Professional as the daily resource information.

Gerald Warfield:

The actual book Spanish for the Pharmacy Professional will bring you to definitely the new experience of reading a new book. The author style to clarify the idea is very unique. When you try to find new book to study, this book very suited to you. The book Spanish for the Pharmacy Professional is much recommended to you you just read. You can also get the e-book through the official web site, so you can more easily to read the book.

Stacy Vincent:

Beside this Spanish for the Pharmacy Professional in your phone, it could possibly give you a way to get more close to the new knowledge or facts. The information and the knowledge you will got here is fresh from oven so don't become worry if you feel like an previous people live in narrow commune. It is good thing to have Spanish for the Pharmacy Professional because this book offers to you personally readable information. Do you often have book but you rarely get what it's exactly about. Oh come on, that wil happen if you have this within your hand. The Enjoyable arrangement here cannot be questionable, such as treasuring beautiful island. So do you still want to miss that? Find this book in addition to read it from right now!

Diana Brunswick:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Spanish for the Pharmacy Professional can make you feel more interested to read.
