Strategic Management: Value Creation, Sustainability and Performance

G. Page West III

Strategic Management: Value Creation, Sustainability and Performance G. Page West III Second Edition, provides an innovative and effective new approach to the study of strategic management. This groundbreaking text emphasizes strategy development for growth-oriented businesses in highly competitive environments. It applies traditional principles and frameworks to the dynamic business climate that today's students will experience as working professionals. Using value creation and resource-based sustainability as integrating mechanisms, the text enables a broad discussion of stakeholders and organizational goals, as well as in-depth exploration of the foundation of superior long term performance. Masterfully balancing fundamental strategy theory and practical, real-life applications – presented through vignettes, exercises, and contemporary illustrations – the author employs a lively and engaging writing style that will appeal to students and instructors alike.
