The Cambridge Companion to British Romanticism (Cambridge Companions to Literature)

The Cambridge Companion to British Romanticism (Cambridge Companions to Literature)

Until now there has been no concerted attempt to represent to students of Romanticism the full range of conflicting forces responsible for its dynamic literature. The eleven original essays that make up this volume make a significant contribution to our understanding of the period, providing readers with clear and coherent access to the historical roots, intellectual ferment and cultural range of British Romanticism. It includes a chronology of major publications and events, and an extensive guide to further reading.
