Mission in the Early Church: Themes and Reflections

Edward L. Smither

Mission in the Early Church: Themes and Reflections Edward L. Smither

How did Christian missions happen in the early church from AD 100 to 750? Beginning with a brief look at the social, political, cultural, and religious contexts, *Mission in the Early Church* tells the story of early Christian missionaries, their methods, and their missiology. This book explores some of the most prominent themes of mission in early Christianity, including suffering, evangelism, Bible translation, contextualization, ministry in Word and deed, and the church. Based on this survey, modern readers are invited to a conversation that considers how early Christian mission might inform global mission thought and practice today.
