Forgiveness is a big issue in the Bible. And it's become a bigger subject in mainstream Christianity with the rise of the Christian counseling professional. This little book sets out the two main schools of forgiveness taught in the church today, and compares them to the scriptural model set out in 1 John. It's not a big book (most Christian books don't need to be), but is intended to induce the reader to study further what the Bible actually means when it says, "just as the Lord has forgiven you, so you must forgive."
