Sexual Politics

Kate Millett

Sexual Politics Kate Millett

A sensation upon its publication in 1970, *Sexual Politics* documents the subjugation of women in great literature and art. Kate Millett's analysis targets four revered authors—D. H. Lawrence, Henry Miller, Norman Mailer, and Jean Genet—and builds a damning profile of literature's patriarchal myths and their extension into psychology, philosophy, and politics. Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life. This new edition features the scholar Catharine A. MacKinnon and the *New Yorker* correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism.
