The Heart of Self-Love: How to Radiate with Confidence Heather Hans

Love is our nature. From love is where we originate and to love is where we return. Nothing can break love. Love heals, love creates; love is the most powerful force of all. *The Heart of Self-Love* will guide your soul's journey toward self-love, loving relationships, and Divine love. Without love humanity suffers - physically, emotionally, and spiritually. When we cannot love ourselves, we suffer from a deadly poison; when these poisonous thoughts, feelings, and behaviors take hold on one individual everyone is impacted. Living in love, including self-love, is both a large picture and small-details job. Tools for nurturing relationships and achieving radiance are detailed throughout this book as Hans takes on issues of addiction, fear, loss, luck, health, and social justice.
