Biblia Peshitta (Spanish Edition)

Negro, Imitación piel

LA BIBLIA PESHITTA EN ESPAÑOL, TRADUCCIÓN DE LOS ANTIGUOS MANUSCRITOS ARAMEOS. Esta obra está basada en el texto Peshitta, que es un antiguo manuscrito bíblico redactado en arameo, el idioma del Señor Jesucristo y sus apóstoles. Es una obra única en su género y el primer esfuerzo formal de traducción al español de este manuscrito, que ayudará al lector a entender textos bíblicos que hasta ahora no resultaban totalmente claros. El arameo fue el idioma internacional durante la época de los imperios asirio, babilónico y persa, y también el idioma que el pueblo de Israel adoptó como lengua madre desde el exilio babilónico hasta el tiempo de nuestro Señor Jesucristo. Aún se habla en algunas zonas de Irak, Irán, Líbano e Israel.

El resurgimiento del interés actual por el arameo bíblico se manifiesta principalmente en la traducción del texto Peshitta al español. Este texto, obra cumbre de la literatura aramea, dejó registrado para la posteridad el mensaje del evangelio y de los apóstoles en un idioma claro, sencillo y directo, que es el significado de "Peshitta". El arameo era poco conocido para Occidente, pero su uso en el Oriente fue muy extendido, llegando incluso hasta China e India. En la actualidad, los medios nos han dado a conocer la existencia de comunidades arameas en el Medio Oriente, que aún hablan el arameo y conservan su enseñanza basada en el texto Peshitta. Al final de esta obra, el lector podrá encontrar una relación de textos relevantes y tablas de diferencias entre los textos tradicionales del hebreo y griego y el texto Peshitta, que le ayudarán a profundizar en el estudio y entendimiento de la Palabra de Dios registrada en este texto.

Black Imitation Leather

The Peshitta Bible is based on the Peshitta text, an ancient Bible manuscript written in Aramaic, the language spoken by Jesus Christ and His apostles. Unique in its genre, this work is the first formal attempt to translate those manuscripts into Spanish.

This version will help the reader better understand certain Bible texts that had not been clearly grasped before. Aramaic was the primary language during the times of the Assyrian, Babylonian and Persian empires, as well as the language adopted as mother tongue by the people of Israel since their exile in Babylon until the days of Jesus Christ. In certain areas of Iraq, Iran, Lebanon and Israel this language is still being spoken.

The current renewed interest in Bible Aramaic is mainly conveyed by the translation of the Peshitta text into Spanish. This work, the ultimate masterpiece in Aramaic literature, left the message of the gospel and the apostles as a historical record in a "clear, simple, straightforward" language, and this is—incidentally—what the word "Peshitta" means.

In the final section of this work, the reader will find a reference to relevant text selections and comparative tables between traditional Hebrew and Greek texts with the Peshitta text. These resources will help the reader conduct an in-depth study and better understand God's Word as recorded in this text.
