He's no stranger to blood. His uncle is Count Dracula, the most famous vampire in history, after all. But what he finds in a quiet North Carolina family home rocks even the jaded Quincy Harker. Families are being slaughtered, butchered like animals, and it seems like the loving fathers are to blame.

But a ghostly visitor shows Harker that there is more to the story than he can see, even with his mystical Sight. So he goes chasing justice, and his quest takes him deeper and darker places than even his guardian angel can follow, and pits him against foes stronger than any he has ever faced before.

Will Harker solve the mystery before more men, women and children are brutally murdered? Can he fight the powers that are moving behind the scenes to keep the truth hidden? And will he be able to stop the murderer when he finds him? Or it?

This is the darkest Harker story yet, from the author of Hell on Heels, Raising Hell, and The Black Knight Chronicles.
