For example Naruto or Private eye Conan you can read and think you are the character on there. So , not at all of book are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book in your case and try to like reading which.

William Rose:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this In the Shadow of Vesuvius can make you sense more interested to read.
