Julia is astonished to run into Sheikh Kaden of Burquat at a party. She'd first met Kaden when she was twenty years old and he was still the crown prince. They fell in love instantly. But one day, all of a sudden, he said something to alienate her and then coldly bid her farewell. Soon after, the news of his marriage completely broke her heart. It was only me who thought we were in love... Unbearably hurt by those bitter memories, Julia dashes out of the party, but can't escape her destiny.
