Denver homicide detective Cliff Janeway may not always play by the book, but he is an avid collector of rare and first editions. After a local bookscout is killed on his turf, Janeway would like nothing better than to rearrange the suspect's spine. But the suspect, local lowlife Jackie Newton, is a master at eluding the law, and Janeway's wrathful brand of off-duty justice costs him his badge.

Turning to his lifelong passion, Janeway opens a small bookshop -- all the while searching for evidence to put Newton away. But when prized volumes in a highly sought-after collection begin to appear, so do dead bodies. Now, Janeway's life is about to start a precarious new chapter as he attempts to find out who's dealing death along with vintage Chandlers and Twains.
