Mental Liberation in the Age of Thought Control: Deprogramming Satanic Ritual Abuse, MK Ultra, Monarch & Illuminati Mind Control Kerth Barker

The Mechanical Universe Imagine a world where a majority of the people on the planet have been hypnotized. Imagine that virtually all the important world leaders have been hypnotized. In their hypnotized state they still do have a degree of functionality. They are not totally out of touch with reality, but their perception of the world is slightly amiss. They can still walk and talk. They still enjoy human relationships. They breathe, eat and drink. But their distorted perception causes them to act in ways that are destructive. Their distorted perception causes them to feel less joy in life. They are harming themselves, other people and the environment because of their distorted perception. And the basis of this distorted perception is that on a subconscious level of mind they have been programmed to believe themselves to be in a mechanical universe. Subconsciously they believe that they are surrounded by a giant machine. Subconsciously they believe that they are a machine within a machine. And these subconscious distortions are always there. On a conscious level of mind they are not aware of how they have been hypnotized. They have no conscious awareness of the fact that they are in a persistent hypnotic state. This is the nature of subconscious programming – the hypnotized person is simply not aware of the programming. This book is about deprogramming this mechanical universe. This book is unique, you won't find any other book on deprogramming that is quite like this one. I describe a system of mind control that was developed by other persons. These persons were former MK Ultra researchers who had become disillusioned with the CIA and the MK Ultra research program. So they began to covertly help those persons who were the victims of Satanic Ritual Abuse and MK Ultra. I'm the only person who is willing to publicly describe their system of therapy. I don't give advice on how to perform therapy, I only share information. In some cases the information comes from therapists who have treated MK Ultra and Monarch mind control. In this book I tell stories and share unique insights. I'm am a survivor of Satanic Ritual Abuse and some MK Ultra techniques. I want to give hope to other survivors who are trying to recover. And I want to give some new viewpoints for therapy to those who are trying to help recovering survivors. This book was written as a sequel of sorts to my two previous books: Angelic Defenders and Demonic Abusers - Memoirs of a Satanic Ritual Abuse Survivor, and Cannibalism, Blood Drinking & High Adept Satanism.
