**Thoughts Are Things: Turning Your Ideas Into Realities (Think and Grow Rich)** Bob Proctor, Greg S Reid

Thoughts Are Things is a wonderful, motivational text from two acclaimed public speakers and accomplished authors—Bob Proctor and Greg S. Reid.

What mind-set determines whether or not a person will be successful? Do successful people think differently from those who never reach their potential? How can we change our thoughts so that the result of every thought—the offspring of thought—sets us up to win rather than lose?

Bob Proctor and Greg S. Reid, authorized by the Napoleon Hill Foundation, delve deeply into the science and psychology of thought, and how thinking is vitally important to a meaningful, successful life. In their interviews with neuroscientists, cardiologists, spiritual teachers, and business leaders, the authors show in Thoughts Are Things how we can think to live!
