"[*Bananeras*] is a vital accounting of the struggles still being waged."—Margaret Randall, author of *When I Look Into the Mirror and See You: Women, Terror, and Resistance*

Women banana workers have organized themselves and gained increasing control over their unions, their workplaces, and their lives. Highly accessible and narrative in style, *Bananeras* recounts the history and growth of this vital movement and shows how Latin American woman workers are shaping and broadly reimagining the possibilities of international labor solidarity.

Dana Frank is a professor of history at the University of California, Santa Cruz, and the author of the award-winning *Buy American: The Untold Story of Economic Nationalism*.
