Beyond Natural Cures Aurore Henze

One of the first books to effectively address "naturopathic psychotherapy." Dr. James DeMeo, author and natural scientist, describes it as a "Unique approach that supports the larger concept of natural healing by bringing in the emotions and life energy." Refreshingly personal and thoroughly researched, Dr. Aurore takes on mammoth and thought-provoking subject matter. A brave book that provides the tools and inspiration to truly change and heal your life by using a non-supplement approach. Heal the body and mind together-at last.
