Your Faith Is Your Fortune (annotated) Neville Goddard

"Man's faith in God is measured by his confidence in himself." This motto is the incipit the second book written, in 1941, by one of the most gifted spiritual teacher of the Twentieth Century, Neville Goddard. Beginning in the Great Depression of the 1930s, his methods influenced countless people, until his death in 1972.

This book develops the teachings contained in his first book, *At Your Command*, published in 1939, a little masterpiece where Neville showed the very essence of the Principle of Expression, also known as Law of Attraction.

Following this line of thought, here Neville presents his interpretations of key Biblical passages as the basis for conveying metaphysical principles. Almost each of the book's 27 chapters begins with a quote from Scripture, which Neville uses as a starting point for his revelatory teachings.

Your Faith is Your Fortune is an essential text for anyone who seeks a deeper and more mystical understanding of Biblical truth, and, at the same time, a practical way to completely transform one's life according to one's desire.
