Bali High James Orr

Many men dream of running away to a tropical island and living surrounded by beauty and exotic exuberance. James did more than dream, he actually did it. He attempted to capture the secret of this tantalizing and enigmatic culture. Bali High is a fascinating novel, mixing love, friendship and lust. Avoiding commitment all his life, suddenly love finds him in the form of Bima, an American/Indonesian young man living on the island. Should he return to Bangkok or stay in Bali? Should he leave an island with which he had fallen in love? It offers a unique insight into that complex and multi-hued world that was soon to sweep him away.
