Project President: Bad Hair and Botox on the Road to the White House

Ben Shapiro

Project President: Bad Hair and Botox on the Road to the White House Ben Shapiro

***Project President* is a hilarious romp through American electoral history.**

From short, fat, bald John Adams' wig-throwing tantrums during the 1800 election to Abraham Lincoln's decision to grow a beard in 1860; from John F. Kennedy's choice to forgo the fedora at his inauguration to John Kerry's decision to get Botoxed for the 2004 race; from the Golden Age of Facial Hair (1860-1912) to the Age of the Banker (1912-1960); from Washington's false teeth to George W. Bush's workout regimen, *Project President* tells the story of America's love affair with presidential looks and appearance, why that often matters more than a politico's positions on the issues, and what might well be coming next.

"I'm constantly citing the power of dress. It's semiology: our clothes send a message about how we want to be perceived, and where is this more powerful and evident than in elected offices. In *Project President*, Ben Shapiro captures presidential semiotics with a potent narrative and deft analysis. It's simultaneously fascinating and hilarious!"

-Tim Gunn

Project Runway, Liz Claiborne, Inc.

"Ben Shapiro takes a romp through American history and shows how personality--and even haircuts--have elected or defeated presidential candidates. It's a tour through history that fans of both parties will enjoy-and can learn from."

-Michael Barone

Resident scholar, American Enterprise Institute

Senior Writer, *U.S. News & World Report*

Co-author, *The Almanac of American Politics*

"Presidential politics has always been more superficial than we'd like to admit. With a stylish and likeable touch befitting a strong candidate, Ben Shapiro takes us deep into the shallowness that has shaped American history."

-Jonathan Alter

Newsweek

"Shapiro deftly explains how height, hair and handsomeness can affect a candidate's campaign as much as issues. A fun, informative read."

-Glenn Beck

Nationally syndicated talk show host

Host of CNN's *The Glenn Beck Show*

"A hilarious and illuminating journey through America's centuries-long fascination with presidential image-

making. Whether you're left, right, moderate or apathetic, this lively book will get you ready for the packaging of the '08 races."

-Jim Hightower

"This is a perceptive, witty-sometimes hilarious-look at the realities behind the faces and the facades, the slogans and the character assassinations, of each presidential campaign from George Washington to today - with much for us to ponder for tomorrow."

-Sir Martin Gilbert

Official biographer of Winston Churchill

"An entertaining and illuminating romp through the politics of symbolism and personality in our presidential politics. If you're thinking of running for president, read this book before you spend a dime on a political consultant."

-Rich Lowry

National Review

COLMES: Who do you want [for the Supreme Court]?

ANN COULTER: Thank you for asking. I want Ben Shapiro.

COLMES: Ben Shapiro.

ANN COULTER: Yes. He just finished his first year at Harvard Law, 21 years old.

COLMES: You mean for a date or for the court?

ANN COULTER: No, for the court. He's my candidate. He's very bright. He's already written one best-selling book.

(CROSSTALK)

COLMES: You want to put a 21-year-old guy on the court?

ANN COULTER: Twenty-one, and he's just finished first year of Harvard Law.

COLMES: So you want someone who's going to be on the court for 50, 60 years? Is that - is that the whole idea?

ANN COULTER: No, I just happen to like Ben Shapiro.

Hannity and Colmes
