So, you buy what you have been led to believe is the purest and best skin lotions there are. Just as with chemically manufactured foods, lotions of every kind are also infused with their own brand of toxins. Some are barely noticeable, and some over time, could be hazardous to your

health.

All-natural, pure, and simple to create; what are you waiting for?!

Here you will find:

- Lotion Recipes
- Preparation
- Essential Oils
- Extra Ingredients
- Everything You Need to Start Creating Lotions Today
- And So Much More!

BOOK #3: Homemade Shampoo: 22 Tips on How to Make Homemade Shampoos For Damaged and Hair Without Shine

Are you tired of paying top dollar for shampoo that does an adequate at best job of cleaning your hair? Are you worried about the types of chemicals that you are putting in your hair and on your head and what those chemicals could do if they get absorbed through your scalp? We all are justifiably concerned about the types of products we are buying.

When all-natural doesn't mean much more than the label it is printed on, our only option is to make it ourselves. What's great about shampoo is that it is one of the easiest health and beauty products to make on our own. And more importantly, because it is so easy, we are in complete control of what the shampoo does and what is in it.

This brief guidebook will give you the necessary tips to get you started making your own shampoos. In it you will learn:

- What ingredients make shampoos that will help treat dry, damaged hair
- The best mixtures to keep oily and greasy hair in check
- How you can boost the shine of your hair and make it look lustrous all day long, and
- The best homemade recipes for dry shampoos.

Say goodbye to one-size fits all shampoos and look forward to recipes that are tailored to your own hair, every time you wash!
