Why does it matter how a follower of Jesus lives? Does it matter? When people who believe in a God of the universe who created every person on the planet and loved them deeply enough to send His Son to live and die for them live in the same way as people who don't believe, what is at stake? Eternity! Paul tells us in his letter to the Ephesians that we ought to no longer live the way we did before we became Christians. We're told, also, why it matters. The main point of GRAY is to remind us that, as followers of Jesus, it's our job to point others to Christ and His life changing power. If our lives don't show that change, it shows the world that Jesus has no power over us. And that's just not true of a believer! The point of living differently from the world isn't to point out how great we look, or how perfect our lives are. The point of living a different life is to point others to Jesus! Let's dive into this study and talk about how we, as believers, should look different than those around us who haven't yet experienced the life saving power of Jesus! Let's commit to living differently so that we can say, with full confidence, that Jesus has changed us completely! We've got from death to life. We don't live in the GRAY.
