A forbidden union forged in love—and tempered in hellfire.

Tales of the Were, Book 2

One last task and Megan will be free of the debt of honor owed by her family. Spying on Dante, a powerful vampire with questionable friends, sounds simple enough. But her mission is complicated by the fact she's got something every vampire wants—tangy, powerful, werewolf blood.

Dante isn't the kind to forgive or forget easily, especially the grudge he holds against werewolves. Still, he is instantly drawn to the injured lone wolf in his care. When he and his friend Duncan treat her wounds, they discover something that marks her as much more than she seems.

That mark is a neon sign warning to be careful, but Dante can't help himself. He wants her and nothing will stand in his way. Not her species. Not his. Not the strange woman who keeps trying to kill him.

Not even the magical poison in Megan's blood...
