After the Rain

Rita Gerlach

After the Rain Rita Gerlach

It's 1908, a year in the Edwardian Age, the year J.M. Barrie's play *What Every Woman Knows*, premiered in Atlantic City and the first Model T rolled off the assembly line in Detroit. It is a year when the world faced one of its worst disasters in history, when the New Year would heal the wounds of loss. Louisa Borden lives a privileged life in Chevy Chase, Maryland, a new and thriving community on the outskirts of Washington, DC for the well-to-do. Against the wishes of her domineering grandmother, she retreats from the prospects of a loveless marriage and instead searches for what she hopes is her calling in life. When her horse is spooked along Rock Creek, she is thrown from the saddle—an embarrassing situation for any affluent young lady. Soaking wet, bruised and humiliated, she is carried up the muddy bank to safety by Jackson O'Neil, a stranger to the city, who changes the course of everything, including the lives of all those around her.
