Dancing with God: Seeing God in the Everydayness of Life Roger Button

It is easy to see God in a blue sky with puffy clouds. It is harder to see God in the mud puddles. If God is in the blue skies and puffy clouds of life, he is also in the mud puddles. This book is dedicated to helping people see God in the everydayness of life. When things are going well and even when you step into a mud puddle God is there with you and for you. I hope that as you read this book your eyes will start to see the little things that God is up to every day-the little miracles that happen. As people read this book, my prayer is that the broken find healing and the hopeless find hope.
