## **Blood, Marriage, Wine, & Glitter** S. Bear Bergman

S. Bear Bergman is an acclaimed writer and lecturer who travels regularly across North America to speak on trans issues. Bear's first two books, *Butch Is a Noun* and *The Nearest Exit May Be Behind You*, are considered seminal texts on the subject of trans life. In his third essay collection, Bear enters, describes, and rearranges our ideas about family as a daughter, husband, father, and friend. In Bear's extended family "orchard," drag sisters, sperm-donor's parents, Sparkles and other relations provide more branches of love, support, and sustenance than a simple family tree. Defiantly queer yet full of tenderness and hilarity, *Blood, Marriage, Wine & Glitter* is a beautifully thought-provoking book that redefines the notion of what family is and can be.
