All she wanted was a home for a shelter dog. What she got was a man with the biggest heart she'd ever seen and a past that made her cry.

Sally Gray has been surrounded by tall, dark, handsome men her entire life. It's going to take a lot more than big muscles and a fondness for Irish Wolfhounds to make her fall for the man from Copper Creek.

Todd Randall had the perfect life; a career that took him around the world, a wife and son that he loved beyond words. Then in one terrifying night everything changed, and he's never been the same since.

Sally needs Todd's help to make a bride's dream come true, but he gave up believing in dreams a long time ago. With a wedding disaster looming and no happy ending in sight, Sally has no choice but to do what it takes to make Todd change his mind. If that means confronting everything that's kept him locked away from the world, then she'll do it. Even if the price turns out to be more than either of them can afford.
