Cassie is one busy lady. The new country club/spa has opened, and the whole gang is enjoying all the amenities. That is until a new club member, Clara, begins to ride roughshod over everyone. The situation worsens until it becomes physical, but even that doesn't stop it.

Cassie seems to find little conflicts everywhere she turns, but it's not always her fault. Tom is over protective about her health, sending Cassie into a tantrum. In addition, a few things happen on the girl's trip that lands Cassie, as well as the other ladies, in even more hot water. Through it all, Tom is there to love and protect Cassie in his own unique way.
