## **Imajica (The Fifth Dominion, Book 1)** Clive Barker

The magical tale of ill-fated lovers lost among worlds teetering on the edge of destruction, where their passion holds the key to escape.

There has never been a book like *Imajica*. Transforming every expectation of fantasy fiction with its heady mingling of radical sexuality and spiritual anarchy, it has carried its millions of readers into regions of passion and philosophy that few books have even attempted to map. It's an epic in every way; vast in conception, obsessively detailed in execution, and apocalyptic in its resolution. A book of erotic mysteries and perverse violence. A book of ancient, mythological landscapes and even more ancient magic.
