## **The Egoist** George Meredith

Self-absorbed Sir Willoughby Patterne and his attempts at marriage; jilted by his first bride-to-be, he vacillates between the sentimental Laetitia Dale and the strong-willed Clara Middleton. More importantly, the novel follows Clara's attempts to escape from her engagement to Sir Willoughby, who desires women to serve as a mirror for him and consequently cannot understand why she would not want to marry him. Thus, *The Egoist* dramatizes the difficulty contingent upon being a woman in Victorian society, when women's bodies and minds are trafficked between fathers and husbands to cement male bonds.
