American Politics and the Environment Glenn Sussman, Byron W. Daynes, Jonathan P. West
Sussman, Glenn; Daynes, Byron W.; West, Jonathan P. *American Politics and the Environment**/ In order to effect change in environmental policy, it is necessary to understand the politics of environmental decision-making and how political actors operate within political institutions. *American Politics and the Environment* offers a unique behavioral and institutional approach, this new book provides readers with a consistent theoretical framework they can use from chapter to chapter to help them better grasp the material. Three boxed features in each chapter-one highlighting a person, one presenting a case study, and another investigating the issue of air pollution-offer real world examples and illustrations and provide the opportunity for analysis. For those interested in environmental politics, and environmental policy making.
