An Art Of Living Andre Maurois

A new translation by Sergio E. Serrano of this inspirational book containing sound advice on the art of living by the late historian, biographer, and philosopher, Andre Maurois. Our lives are works of art, expressions of inner beauty, conceived and created by our inner selves, tested by the circumstances and experiences of life, perfected and modified by the learning and growth resulting from these experiences. Few authors have expressed these timeless principles with more eloquence than Andre Maurois (1885 - 1967), one of the most celebrated and prolific French writers of the 20th century. ?An Art of Living is divided into five sections: The Art of Thinking, The Art of Loving, The Art of Working, The Art of Leadership, and The Art of Growing Old. Each section contains very profound, timeless, wisdom about the most important aspects we face in life. There is so much insight in this book!
