The Essential Handbook of Offender Assessment and Treatment

The Essential Handbook of Offender Assessment and Treatment

This "Essential Handbook" provides the critical elements from its companion volume, the successful Handbook of Offender Assessment and Treatment. A comprehensive review of assessment and treatment, it covers the major offender groups: sex offenders, violent offenders, offenders with mental and personality disorders, and property offenders. A range of treatment approaches are also included, incorporating behavioural, cognitive, skills-based, anger management, school programs, and family-based approaches.

Whilst retaining its international, high quality appeal, The Essential Handbook of Offender Assessment and Treatment is a concise, portable edition for all clinicians, academics and researchers working with offenders across a range of settings.
