The First World War in Africa Hew Strachan

To Arms is Hew Strachan's most complete and definitive study of the opening of the First World War. Now, key sections from this magisterial work are published as individual paperbacks, each complete in itself, and with a new introduction by the author. The First World War was not just fought in the trenches of the western front. It embraced all of Africa. Embracing the perspectives of all the nations who fought there, this is the first ever full account of the Great War in Africa.
