A Theology of James: Wisdom for God's People (Explorations in Biblical Theology) Christopher W. Morgan

Here Chris Morgan accomplishes a seldom-attempted task, laying out a biblical coherent theology of the epistle of James. He connects the particulars of James to the big picture of the Bible and argues that its instruction is both ground in theology and theology applied.

The Explorations in Biblical Theology series addresses the need for quality literature that attracts believing readers to good theology and builds them up in their faith. Each title in the series combines solid content with accessibility and readability -- a valuable addition to the library of any college student, thoughtful lay reader, seminarian, or pastor.
