Hammar skjöld: A Life Roger Lipsey

After his mysterious death, Dag Hammar skjöld was described by John F. Kennedy as the "greatest statesman of our century." Second secretary-general of the United Nations (1953 - 61), he is the only person to have been awarded the Nobel Peace Prize posthumously. Through extensive research in little explored archives and personal correspondence, Roger Lipsey has produced the definitive biography of Dag Hammar skjöld. *Hammar skjöld: A Life* provides vivid new insights into the life and mind of a truly great individual. Hammar skjöld the statesman and Hammar skjöld the author of the classic spiritual journal *Markings* meet in this new biography - and the reader will meet them both in these pages. A towering mid-twentieth-century figure, Hammar skjöld speaks directly to our time.
