Gaspar Pérez de Villagrá

Historia de la Nueva Mexico, 1610: A Critical and Annotated Spanish/English Edition (Paso Por Aqui Series) (English and Spanish Edition) Gaspar Pérez de Villagrá

One of the first travel journals of its kind to be published, this epic poem about Juan de Oñate's entrada that led to the founding of Nueva México in 1598 (to become the state of New Mexico 314 years later) is full of the hopes and dreams of those who traveled with Oñate. *Historia de la Nueva México, 1610* was written fourteen years before John Smith's *History of Virginia*. Its thirty-four cantos have long been considered a key source for early New Mexico history and this bilingual Spanish/English version presents it as literature.

By situating *Historia de la Nueva México, 1610* within the Hispanic literary heritage, the work is restored to the canon of American literature.
