Mapping the Futures: Local Cultures, Global Change (FUTURES: New Perspectives for Cultural Analysis)

Mapping the Futures: Local Cultures, Global Change (FUTURES: New Perspectives for Cultural Analysis)

There are now new experiences of space and time; new tensions between globalism and regionalism, socialism and consumerism, reality and spectacle; new instabilities of value, meaning and identity - a dialectic between past and future. How are we to understand these?

Mapping the Futures is the first of a series which brings together cultural theorists from different disciplines to assess the implications of economic, political and social change for intellectual inquiry and cultural practice.
