**Every generation faces unique challenges.**

The first-century Church had Caesar's lions and the Colosseum. And, while it might seem like an unlikely comparison, the challenge of living with popular culture may well be as serious as persecution was for the saints of old.

Today we witness the tremendous power of pop culture to set the pace and priorities of our lives. We simply cannot afford to be indifferent about culture's influence—nor can we escape it, glibly condemn it, or Christianize it. Cultural expert Ken Myers helps us to engage pop culture from a historical and experiential perspective so that we can live in it with wisdom and discernment.
