Anything is Possible When You Lead with Your Heart: 10 Proven Principles for Leadership Success

Vic Pynn

Anything is Possible! When you Lead with your Heart, is more than just a business book. It's a book that could change your life. Author Vic Pynn deliver experiences from his career as an executive, as well as his earliest position as a prison guard, about the critical value of leading with the heart. In a prison setting, where the inmates outnumber the leaders who guard them, leadership traits like empathy matter. You're only a leader if people follow. If you have a false illusion of power, you might be putting yourself in danger. In the corporate world with the new generation of rightsized, downsized, and displaced employees from various organizations now must work together, leading with the heart matters more than ever. This is a book that shows you how. Like the Tipping Point, this is a book that will make you reevaluate everything you do. In each chapter, Pynn offers step by step exercises, and team binding and life changing strategies that anyone can use. Throw out everything you've ever been taught about leadership. In this new decade of technological explosion and change, executives are not only adventurers, but explorers. It's a brave new world. Is your organization, family, and team, prepared?
