Freefall: Living Life Beyond The Edge Sally Anderson

This is just not another self-help book but an essential read for the self-confessed course junkie who is ready to finally STOP searching and begin leading a rewarding and meaningful life.

Sally Anderson's life reads like a great fictional novel, the kind where the heroine overcomes incredible odds, then turns around to assist others to do the same. She knows all too well that YOU get to create a new ending to your own story.

Her determination to regain her life from the most dehumanizing experience imaginable, to dedicating her life to helping others has shaped her personal development and destiny to become one of the pre-eminent speakers and transformation coaches we have seen.

This is a story of a remarkable journey from humble beginnings through triumph, tragedy, transformation and transcendence. A unflinchingly compelling story of how one turns their excuse for failure into their reason for success!

Take a serious look at what is bound to launch the next phase of conscious development in America. Freefall deserves more than a cursory glance. It is what millions are waiting to hear

"Sally Anderson is not a survivor, she is a luminary teacher whose vision in this book is beyond compelling. Her inspiring education champions the human spirit and feeds the human soul & has the ability to revolutionize the personal development movement as we know it" - Rick Frishman, the founder of Planned Television Arts and one of the leading book publicists in America for over 33 years.
