**Rogue Warrior: Domino Theory** Richard Marcinko, Jim DeFelice

When the Rogue Warrior travels to India to help supervise security arrangements for the upcoming Commonwealth Games, he and his team find themselves up to their skivvies in terrorists of all types?Pakistanis. But it's not just the Games that are being targeted for disruption?Demo Dick and his young bucks uncover a plot to steal all seventy nuclear warheads the Indians have amassed for war against the Pakistanis.

The Rogue Warrior must overcome various obstacles to prevent disaster: a high-tech remote controlled attack helicopter that makes the Apache look like a child's toy, an ominous chemical factory about to go boom, and tea and crumpets with the Queen.

We're just kidding about the Queen.

Marcinko and DeFelice sprinkle the action with trademark Rogue Warrior humor and non-PC asides in the latest installment of the bestselling series. As usual, the plot mixes fact with fiction, and incorporates some of the original SEAL Team 6 skipper's recent experiences in India.
