Sanadores: Mensajeros de la conciencia (Spanish Edition) Luisa Alba González

Con la sola intervención de sus extraordinarias capacidades, los sanadores psíquicos protagonizan uno de los enigmas más controvertidos. ¿Fraude, sugestión o milagro? Éstas son las cuestiones que surgen siempre ante lo insólito de las curaciones inexplicables. Este libro desenreda la madeja que oculta el misterio, y ante el lector quedan desnudos el fraude, la sugestión y el milagro. ¿Cómo distinguir el milagro de todo lo demás? ¿Cómo explicar el poder que genera el milagro? ¿De dónde surge ese poder? Las experiencias de sanación que se relatan muestran las pautas esclarecedoras, dan las respuestas y desvelan el enigma. Cuando un fenómeno existe, es tangible, no podemos negarlo por el hecho de no saber explicarlo. ¿Negaron acaso nuestros primitivos antepasados la lluvia, el trueno, la vida o la muerte? El milagro existe, emerge con entidad propia en el mundo de la sanación psíquica o espiritual y hoy podemos vislumbrar, no sólo con la intuición sino también con la razón, las causas que lo hacen posible. Las claves para explicar las raíces de las curaciones milagrosas propiciadas por los sanadores quedan patentes en "Sanadores: Mensajeros de la conciencia, y plantean una sugerente hipótesis, un camino a recorrer para adentrarse en el universo mágico de la fuente de la vida.
