Pain is a lasting feeling, emotion, and can consume a person without any discrimination. Amy Holland knew all too well what pain did to someone. She has been living with it for far too long, and it is all because of her father. Reese "Joker" Whitman has put his old life behind him. He is now just Joker, part of The Soldiers of Wrath, an outlaw MC that rules his town. Despite the hard edge he carries around, the violence and destruction he's been known to deliver, Joker wants Amy, the daughter of the woman his father married. Amy might be considered family, but she isn't blood, and he wants her more than he's ever wanted anyone in his life. However, he has to tread lightly, because she's been hurt, and she may never be able to give herself fully to him. When she finally sees Joker for who he is, it isn't fear or pain that consumes her; it is hope and desire. But can she give herself to the biker when she sees herself as too damaged to be loved? Reader warning: This is a work of fiction and contains explicit, adult material. Reader discretion advised.
