## **Can Christians Prove the Resurrection?: A Reply to the Apologists** Chris Sandoval

Christian apologists like Josh McDowell, Norman Geisler, and William Lane Craig have claimed that the Resurrection of Jesus is the best-proved fact of history. As they tell the story, the original eyewitnesses of the risen Jesus sacrificed their lives for their faith, and people who knew Jesus during his lifetime would have challenged any errors in their testimony. Allegedly, these and many other lines of historical evidence prove the Resurrection beyond a reasonable doubt.

In *Can Christians Prove the Resurrection?*, the traditional Christian arguments for the Resurrection are analyzed and critiqued. In reality, we do not know how most of the apostles met their fates, and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight. These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists, as this book demonstrates. Once all the relevant evidence is examined, it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection ever took place.
